

Mayor's Corner

The City Council recently met to plan this year's City goals.

One new City goal relates to the commuter rail project. There will be two stops in Tigard, one in downtown on Main Street and the other at Washington Square. Issues such as parking need to be addressed with help from business and property owners and other interested parties.

We will seek funds to implement long-range plans for our City parks and extend the Fanno Creek Trail. The Dog Park and Skateboard Park Task Forces are making good progress.

Transportation continues to be a big issue. With decreasing state revenues, we are concerned about street-system maintenance. If streets are allowed to deteriorate, they become an expensive reconstruction project. We are looking at maintenance funding.

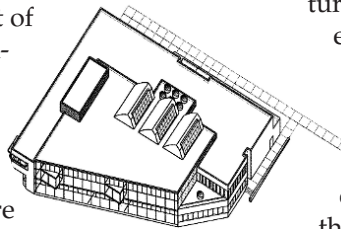

While we have improved communications between citizens and the City, there is still work to be done. Our volunteer participation continues to grow, but there is always room for more!

The City Council looks forward to an active and rewarding year!

Jim Griffith, Mayor

Bond Measure for New Library to appear on May 21, 2002, ballot

On December 18, 2001, the Tigard City Council voted unanimously to place a \$13 million bond measure on the May 21, 2002, ballot to help fund a new two-story, 47,000-square-foot library. Total cost of the project is estimated at \$14.2 million, which includes the cost of acquiring land and constructing and furnishing the proposed new library. Parking, landscaping and related street improvements are also included in the total cost estimate.

Members of the New Tigard Library Construction Committee and citizens, testified at the December Council meeting about the need for a new

library. The Committee has met since 2000 to determine the need for, location of and projected costs of a new library.

If the bond measure passes, the general obligation bonds would mature in 20 years or less. The estimated initial annual property tax rate is approximately 31 cents per thousand dollars of property value. That amount is expected to decrease over the life of the bonds, as assessed values rise and new properties are added to the City.

Visit the library or the library website at www.ci.tigard.or.us to find out more.

Volunteer opportunity: bringing City meetings to the community

Have you seen City Council or Citizen Interest Team (CIT) meetings on cable television channels 21 and 22? Trained volunteers and Tualatin Valley Community Access (TVCA) staff operate the cameras and equipment. Having more volunteer camera operators and producers will expand the programming that can be brought to the community.

Volunteers will be trained to prepare the equipment before meetings and operate the cameras during meetings and events while working with a producer/director. Camera operators can go on to be trained as producers and directors. Training will be provided by TVCA. Prior experience in this field helps but is not necessary.

If you are interested, please contact Susan Koepping, Volunteer Coordinator, at susank@ci.tigard.or.us or 503-639-4171, ext. 460.

Mayor & Council elections on November 5, 2002

In November 2002, Tigard residents will elect a Mayor and two Council members to the City Council. Candidates for all positions must:

- Be a Tigard Resident
- Be a registered voter
- Have live within Tigard city limits for at least 12 months immediately prior to the election
- Follow the City's nominating procedure

Prior to campaigning or raising funds, candidates should file election forms. Initially, candidates must file a prospective petition with the City Elections Official. Once filed, candidates can circulate petitions and file forms to place their name on the ballot. The City of Tigard requires candidates obtain at least 126 signatures from qualified voters. The filing deadlines are August 2 for the two Council positions and August 26 for the position of Mayor.

To learn more or to pick up an election information packet and filing forms, please contact:

Tigard City Elections Officer Cathy Wheatley
Monday-Friday, 8 a.m. – 5 p.m.
13125 SW Hall Boulevard
Tigard, Oregon 97223

Beginning February 1, 2002, information and forms will be available on the City's website, www.ci.tigard.or.us.

Tigard Police Citizen's Academy classes starting soon

Are you interested in learning how the Tigard Police department works? Are you curious about the history of law enforcement? Would you like to visit the 9-1-1 communication center? Does a tour of the Washington County jail pique your curiosity? If these activities sound interesting, the Tigard Police Citizen's Academy may be for you!

The academy is an eight-week educational program designed to give participants a working knowledge of the Tigard Police department. By fostering a better understanding of police work, it is hoped that citizens and the department will be able to work together to identify realistic solutions to community problems. The academy is conducted by police department personnel and consists of a series of classes, demonstrations and discussions. Class information is as follows:

- When -** Eight consecutive Wednesday evenings,
April 3 to May 22; 7-9:30 p.m.
- Where -** Tigard City Hall, 13125 SW Hall Boulevard
- Cost -** Free!
- Who -** Participants must be at least 16 years of age
(but hurry – enrollment is limited to 20!)

If you are interested, contact Jim Wolf, Tigard Police Department's Public Information Officer, for an application at 27047@ci.tigard.or.us or call 503-684-4997 ext. 220. You may also obtain information at the City's website, www.ci.tigard.or.us. (from the home page select Tigard Police, then select "Community Policing" and Citizen's Police Academy). You can download an application to complete and mail.

Transportation System Plan adopted on January 8, 2002!

The City Council held a public hearing and adopted the Transportation System Plan (TSP) and associated Comprehensive Plan amendments on January 8, 2002. The City of Tigard began the current Transportation System Plan (TSP) update in 1999. With the help of a 12-member Task Force, a draft TSP was produced.

The TSP takes into account existing traffic conditions in Tigard, community needs and goals and the anticipated future demands on the transportation system. The Engineering Department will utilize this document to develop the Capital Improvement Program (CIP). The TSP also provides a master plan for pedestrian paths and bicycle paths that may be installed as part of new development projects or by the City.

A copy of the TSP is available for review on the City's website www.ci.tigard.or.us, at the Planning and Engineering counter in City Hall or at the Library. For more information, please contact Julia Hajduk at julia@ci.tigard.or.us or 503-639-4171, ext. 336.

Congratulations to Richard Bellew, our first 2002 Employee of the Month!

Rich is a Senior Utility Worker for the Public Works Department, who started with the City of Tigard in July 1999. Rich was one of several Public Works employees who worked hard to complete the new soccer fields at Cook Park. He volunteered to shift his work days, work overtime and come in on his regular day off to get the new field seeded before the rainy season. Rich was part of the team that ended up getting more than 2,000 yards of soil on the fields for the final grade. Great job, Rich!

SUBDIVISION PROPOSALS IN TIGARD

City staff periodically provides advance notice of potential subdivisions being contemplated in Tigard or its Urban Growth Area. Plans are in preliminary stages and are based on pre-application conferences with the City of Tigard. **Plans have not been finalized.** It is possible that development will not occur immediately. If the applicant goes forward with the project, a neighborhood meeting will be scheduled by the developer/applicant prior to a formal application being made with the City. Notice of the meeting is sent to property owners within 500 feet of the proposed development. If you have any questions on a project, please call 503-639-4171 to reach the appropriate city staff member.

Monitoring your water use equals lower bills

Have you recently received a high water bill and want to find out why? Your water meter can tell you how much water you use in a day, week, or a month. It can also help you measure the effectiveness of your household water conservation program and detect leaks.

How to detect leaks:

First, turn off all your faucets and water-using appliances (such as dish and clothes washers) and be sure no one is using any water. Then go to your water meter and lift the cover of the meter dial. Note the position of the sweep-hand, or use a marker on the lens cover.

Then, wait 20-30 minutes and check the sweep-hand location again. If the sweep-hand has moved or if the small red diamond shape indicator on the face of the meter is moving, you probably have a leak somewhere in your system.

Where to look for leaks:

- Your toilet may have a silent leak. Drop a little food coloring in the tank. Wait about 10 minutes without flushing. If color appears in the bowl you have a leak.
- Check for moist spots around and under house plumbing and around the outdoor plumbing
- Replace worn washers in faucets and showerheads. A small leak can waste many gallons of water a day.

If you would like more information on monitoring your water use contact Sara Danz at sara@ci.tigard.or.us or 503-639-4171 ext. 346.

Finding enough water to meet future demand

An open house for the Tualatin Basin Water Supply Feasibility Study will be held Wednesday, February 6, from 6:30 – 8:30 p.m. at the Tigard Water Building, 8777 SW Burnham Street in Tigard. The study will evaluate potential water supply sources to meet the growing water demands in the

Tualatin Basin. For information, contact Clean Water Services Staff: Tom VanderPlaatt, Project Manager, vanderplaatt@cleanwaterservices.org at 503-846-8758 or Jeanna Cernazanu, Public Involvement Coordinator, cernazanuj@cleanwaterservices.org at 503-845-3619.

City's new website launched!

Making City services and information more accessible to its citizens is one of Tigard's most important goals. To further this goal, the City launched its new website, www.ci.tigard.or.us.

Features of the new website include: full site search, Municipal Code search, events calendar, city forms listing and much more. Along with the additions, the new website features a fresh design so the user can find information more easily.

The City of Tigard's Web Team works to continually improve the site. Citizen input is welcomed and will be used to make the site even better. Citizens can contact the Web Team by email at webteam@ci.tigard.or.us or by filling out the Feedback Form on the website.
